Thank you!

As a 501(c)(3) non-profit organization we rely on the generosity of our donors to fulfill our mission. Administered solely by volunteers who are active docents at museums and institutions throughout the U.S. and Canada, the NDSC provides resources and opportunities for continuing education and idea exchange for docents and guides across North America and beyond. Your support makes a difference!

Bringing it all together...

"Being a docent embodies all that is truly meaningful in my life; family, friends, art, and the emotions that bind us: happiness, joy, contemplation, sadness, perspective and appreciation. Being part of the National Docent Symposium Council brings it all together; allowing me to share my passion, education and art experience with colleagues and museum visitors who are learning something for the first time or looking at art in a new way."

Sharon Bazarian - Docent, McMullen Museum of Art

A docent community...

“I've been engaged with the NDSC in one way or another for 8 years. Since my first Symposium in SF in 2013, I've been hooked on the incredibly useful docent Forum, website, and network the Council provides. I appreciate how much I've learned from docents from so many different places—and how much fun I've had getting to know them.”

Jan Thorman, Docent, Walters Art Museum
