

Your National Docent Symposium Council is participating in

GIVING TUESDAY

December 1, 2020

Creating opportunities for docents and guides to *learn, share and connect*

Join us in celebrating Docents Through the Decades - Since 1981

We are privileged to have supported the docent and guide community for the past four decades. You can help us continue to be a go-to resource for new ideas, continuing education and peer exchange. As a 501(c)(3) **all-volunteer** organization, every dollar you give goes towards sustaining and expanding our programs.

If you have benefited from the National Docent Symposium, the Docent Handbook, online resources, or peer connections please consider making a donation. We appreciate gifts in any amount. Will you show your support so that we can move forward together? We welcome your contribution now through December 31.

DONATE NOW
